Ownership (RACI) and phase

RACI and phase for each action are listed in the prioritized actions table above (columns Phase, R/A/C/I).

Success criteria and verification

Per-action success criteria and verification methods are in the prioritized actions table above (columns Success criteria and Verification).

Reassessment triggers and cadence

Triggers

- Major system update or change by vendor
- Significant change in regulatory landscape
- Breach, incident, or operational issue
- Expansion to new use cases or jurisdictions
- Vendor evaluation or M&A activity

Cadence

Annual review, or after any reassessment trigger event

Export (CSV) and field definitions

UTF-8, comma delimiter, quote fields with commas; include all action columns plus RACI and verification

Download actions as CSV

Field definitions

Field	Description
