Unless and until the earlier of the rejection of this subscription by the Company or the effective date of the Subscriber's investment, Subscriber's subscription to the Company shall be irrevocable by the Subscriber.

Representations, Warranties and Covenants

To induce the Company to accept this subscription, the Subscriber hereby makes the following representations, warranties and covenants to the Company and to the Managers and the other Members:

The Subscriber consents to the disclosure of any such information, and any other information furnished to the Company, to any governmental authority, self-regulatory organization or, to the extent required by law, to any other person.

(b) The undersigned is not acting as agent, representative or nominee for, and will not enter into any participation agreement, swap, structured note or other derivative instrument, the return from which is based in whole or in part on the return of the Class A Units, with any third party (a "Third Party").
